

# Declaration of performance

No. 770 - 517

- 1 Unique identification code of the product-type: **CI320180H008**
- 2 Number allowing identification of the construction product: Batch indicated on the packaging or on the quality label.
- 3 Intended use: Doors and windows
- 4 Manufacturer: OTLAV S.p.A.  
Via Angelo Padovan, 2  
31025 Santa Lucia di Piave (TV) - Italy
- 5 System for the assessment of the constancy of performance: System 1
- 6 Notified body: **IFT** n° 0757 has performed the performances test according UNI EN 1935:2002-05 rule in system for the assessment number 1 and has prepared the classification reports and issued the test certificate.
- 7 Declared performance:

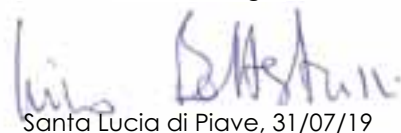

|     | Essential characteristics                                             | Performance                                                                                                         | Harmonised technical specification                                     |
|-----|-----------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------|
| 7.1 | Use category                                                          | <b>3</b>                                                                                                            | <b>UNI EN 1935:2002</b>                                                |
